

WHAT WE DO

We are an organization focused on empowering brown girls in the Denver Metro area by creating a safe space for strong peer connections, as well as educational and personal growth. Our mission is to foster self-love, joy, and understanding, while uplifting and motivating each girl through mentorship, workshops, and community events. We believe in the importance of every brown girl's voice and are dedicated to celebrating and supporting each other in embracing our best selves.

EMPOWERING BROWN GIRLS, ONE STORY AT A TIME

We offer engaging programs for girls from elementary to high school, featuring courses in education, team building, mentorship, and fun workshops. Embrace your melanin, make new friends, and enjoy a journey of empowerment and celebration. Let's shine together!

WHY CHOOSE US?

Partnering with us provides community and comprehensive support for young brown girls. Our programs provide schools and students the opportunity to connect with mentors and peers who share similar experiences that can help them build confidence, develop essential skills, and receive guidance that nurtures their potential. Together, we create an inclusive environment where girls can thrive.

EDUCATION

Culture, belonging, and high standards are all interconnected. Our versatile curriculum boosts students' social, emotional, cultural, and academic growth from elementary to high school.

WORKSHOPS

We offer dynamic workshops tailored for girls in our program. We partner with local Denver organizations in order to offer a variety of sessions on hair care, advocacy, health, fitness, and more. Our goal is to create a fun and supportive environment for learning!

MENTORSHIPS

We empower the next generation by connecting participants with inspiring mentors. These mentors not only offer support and guidance, but also help our girls thrive in their education and beyond. Together, we are building a community of confident and strong young women!

We'd love to partner with you! Reach out to us using the contact details below!

OUR GIRLS WIN!

JUST FEW THINGS ABOUT OUR PROGRAM'S SUCCESS

Our youth program has made a strong impact on brown girls across communities, with over 94% reporting improved academic performance and achieving higher grades in core subjects. Through team-building activities, 98% of participants gained confidence in their leadership abilities.

Workshops on STEM, social media, art, and mental health helped students become more engaged with their educational journey. Additionally, participants contributed over 500 hours of community service in the Denver area.

Our program is empowering young women to become confident leaders and create lasting change in their communities.

Students in our partner schools experience strong social growth and find their tribe through our program

State testing for participants in ISBG increased by 48% YOY in both Math and Language Arts

Students, school partners, and parents report high satisfaction with ISBG, citing the positive impact on personal growth, education, and community involvement

Students feel more connected to their cultural roots and empowered to advocate for themselves, peers and their communities

BROWN I SPEAK GIRL

Whole School Programming

- Weekly presence on campus (4-10 hours)
- Collaboration with teachers and leaders regarding student supports, restorative practices, and school culture initiatives
- Regular data-informed progress monitoring
- Participation in school events

Lunch & Learn Workshops

These lunch sessions are dedicated to supporting and empowering brown girls in school with a specific focus on:

- Self-affirmations, belonging, and self esteem
- Mental health
- Hair care
- Fitness
- STEM

Education & Curriculum

We offer educational services tailored to your school's needs. This includes custom curriculum development, hands-on training workshops, and ongoing support, all designed to maximize the impact of your educational programs. By partnering with schools, we ensure that each ISBG program is created to enhance learning outcomes and cultivate long-term success specific to your building.

What Our Clients Say...

Students

"I love being in I Speak Brown Girl! It's so fun and I have made so many new friends!"
(Cameron- 7th Grader)

"There are other girls that look like me and that's important" (Emori- 12th Grader)

"I really like that we talk about stuff that impacts us. We learn from each other and about different topics at every meeting"
(Laila- 6th Grader)

This group is honestly such a vibe. It's a safe space where you can be real, connect with other brown girls, and talk about stuff that actually matters – like culture, mental health, and just life in general. I've learned a lot, made new friends, and always leave feeling more better.
(Imani– 8th Grader)

Schools

As a school administrator, I've seen firsthand the positive impact I Speak Brown Girl has on our students. Not only has it helped improve test scores, with participants showing notable gains in reading and math, but it has also contributed to their social-emotional growth. It's a valuable resource for empowering young girls, and I highly recommend it to any school looking to support both academic and personal development. (Michael- 6th-8th School Administrator)

We are so grateful for I Speak Brown Girl. It's amazing to have this program for the girls in our school. The facilitators who come in work well with our teachers and our staff to ensure the girls are getting the support and wrap around services they need. (Leslie - 5th Grade Elementary Teacher)

Parents

My daughter loves this program! She has been in I Speak Brown Girl for 2 years now and is so happy she can continue it in high school!" (Lashawna - 8th Grade parent)

"I have 2 girls in the program. I love that they can be part of this at different schools. They have a lot of fun doing the workshops, plus they REALLY like the field trips" (Teja- 8th Grade and 5th Grade parent)
